Dear Resident

Last night three burglaries occurred in this area, access has been gained as properties have been left insecure. Vehicle keys have been taken and subsequently vehicles have been stolen.

We are therefore urging you to take preventative measures and assist the Police in reporting anything suspicious and to make sure that your property is kept secure.

Crime of any sort is extremely unusual as your area is a low crime area. Please be assured that the Police are working hard in this area to prevent any further crimes of this nature and patrols have been increased.

Thank you

With Regards

Inspector Robinson  
Bamber Bridge Police Station
