

CCPO

TUESDAY 1ST DECEMBER

Quite a lot of my time recently has been spent at Sheltered Accommodation's giving talks on Crime Prevention and also talks to Church groups and Community groups in relation to doorstep crime.

Lots of scams circulating this time of year, please be extra vigilant and the advice as always along with Trading Standards is not to do business on the doorstep.

Beware of:

- Lottery scams
- Security companies
- Driveways, powerwashing, trees, cleaning moss of your roof
- Supermarkets – beware of someone offering you £20 which this say they have picked up off the floor.
- Jingle Bells
- NHW Newsletter
- Trading Standards have launched Safe Trader Scheme. Trading Standards can be contacted on 08454 040506.

Any complaints regarding traders or doorstep crime, please log with trading Standards.
