SPREADING THE WORD TO THE LOCAL COMMUNITY

A new Community Notice Board on The Cawsey, Penwortham was formally unveiled by the Mayor of Penwortham Councillor Jim Hothersall on Monday 19 October.

The idea for a board at this location was suggested by resident John Kidman on behalf of the local Neighbourhood Watch Scheme. Additional funding was supplied by South Ribble Borough Council's Penwortham Area Committee, the police and former County Councillor Howard Gore.

It will enable the community in the area of The Cawsey to be kept in touch with a variety of local events including Town Council, Area Committee and Police and Community Together (PACT) meetings.

Councillor Jim Hothersall said:

This is an excellent partnership initiative which has brought together a number of local bodies to improve the way we get our information across to local residents. I would like to thank all those who have contributed to the venture.

Date: 14 October 2009

Local co-ordinator John Kidman, Beverley Warburton and Mayor Jim Hothersall along with children who took part in the competition.

John arranged a colouring competition over the summer, with Lancashire Neighbourhood Watch providing £30 for prizes, and which was judged by Beverley.
