Dear Resident,

At 12 noon on Sunday 28th February 2010 a garage was left insecure, with a pedal cycle on display; offenders have then entered the garage and helped themselves to the pedal cycle. A neighbour witnessed the incident and contacted the police. Within a few minutes of police arrival in the area four suspects have been arrested, the cycle has been recovered and returned to its owner.

This shows that reporting of any suspicious incidents is vital in our battle against crime. Also it serves as a reminder to the public not to leave property unlocked or unattended as there are opportunist thieves about.

Thank you for taking the time to read this information bulletin.

Regards
